

# **Constitution of the Psychiatry Student Interest Group Network (PsychSIGN)**

## **Article I: Name of Organization**

The name of this organization will be the Psychiatry Student Interest Group Network (“PsychSIGN”). This is a special interest group for medical students within the American Psychiatric Association (“APA”).

---

## **Article II: Sponsorship and Affiliation**

PsychSIGN will be sponsored by and affiliated with the APA.

---

## **Article III: Purpose and Principles**

PsychSIGN is a network of psychiatry interest groups at medical schools internationally that seeks to:

1. promote medical student interest in psychiatry;
  2. further the creation and growth of psychiatry interest groups at medical schools at the national and international level;
  3. foster connections between students with an interest in psychiatry at medical schools internationally, as well as connections between psychiatry interest groups at medical schools internationally;
  4. serve as a central hub for information regarding organizing psychiatry interest groups, planning careers in psychiatry, and other topics relevant to medical students interested in psychiatry;
  5. create connections between medical students interested in psychiatry and psychiatry residents and faculty members;
  6. represent medical student views to the APA and other professional medical organizations;
  7. provide a professional, respectful, and intellectually stimulating virtual and physical environment which recognizes the benefits of diversity throughout populations of patients, trainees, and professionals;
  8. eliminate the negative stigma associated with mental illness while promoting mental health as an integral part of overall health amongst medical trainees.
- 

## **Article IV: Membership**

- Individual student membership is open to any medical student enrolled in any medical school internationally with an interest in the field and subject matter of psychiatry.

- Psychiatry Student Interest Group (PsychSIG) membership in PsychSIGN is open to any psychiatry-related interest group. The group title of “Psychiatry Student Interest Group” is not a requirement for PsychSIGN affiliation.
-

  - PsychSIGN Blog

## **Subcommittees**

### **General**

- Subcommittees are intended to be flexible, and may, or may not, exist for extended periods of time.
- The work of the subcommittees needs to be reported on by the overseeing chair during the monthly leadership meetings.
- Subcommittees do not need to be added to the PsychSIGN Constitution.

- Subcommittee membership and contact information should be provided on a centralized google drive.

### **Creation**

- A subcommittee may be formed by a national chair if it is to help with the existing responsibilities of the chair.
- Subcommittees need the approval of either the President or President-Elect for their creation.
- They need to have a clear, written objective which supports the responsibilities of the national chair overseeing their work.
- If the work of the subcommittee extends in partnership with another professional or student organization, the leader of that committee (region or special interest chair) should make clear the responsibilities, benefits and duties that psychSIGN and its membership may have.

### **Membership**

- A subcommittee may or may not have a designated leader that is separate from the overseeing chair.
- The opportunity for membership on a subcommittee needs to be open for PsychSIGN members to apply for when feasible.
- Subcommittee members are not members of the National Board.

### **Termination**

- Subcommittees may be terminated at either the completion of their objective (such as with a regional conference planning subcommittee when the conference ends), or at will by the overseeing chair.
- If desired, the subcommittee may petition to be reinstated by either the President or President-Elect if they feel that termination was not warranted. This final decision rests with the President and President-Elect.
- Subcommittees may not continue to advertise or claim PsychSIGN affiliation if or when a psychSIGN national board member is no longer serving in an official capacity.

## **Facilitator**

### **Responsibilities**

- Be a non-voting member of the National Leadership.
- Assist in transition of duty and PsychSIGN contacts to the subsequent President and President-elect.
- Provide mentorship and feedback to the Board regarding its operation and functioning.
- Participate in quarterly PsychSIGN review meetings with the PsychSIGN President and President-Elect.

## **Local Officers**

### **Membership**

- PsychSIGN Affiliated Psychiatry Student Interest Group Leaders

- Often, this is whoever is the head of the Psychiatry club at the medical school.
- Or a liaison appointed by the head of the PsychSIG.

### **Responsibilities**

- Agree in writing, at minimum via email to the region chair to provide at least one contact who will serve as the point person for psychSIGN to share events or opportunities with the SIG.
- Share news, opportunities and emphasize the benefits of National PsychSIGN/APA membership to students.
- Provide an updated list of e-board contacts if and when leadership transition occurs.
- Share SIG events or opportunities which might be open to or of interest to region psychSIGN members via email or group chat the PsychSIGN region chair.

### **Terms of Office**

#### **1. National Officers**

- Region Chairs will be elected for a 13-month term that will begin immediately after elections. The 13th month, which occurs after the election of the following year's officers, will focus on advising the newly elected Region Chairs from their respective regions. There are no term limits for Region Chairs.
- Special Interest Chairs will be elected for a 13-month term that will begin immediately after elections at the National Conference. The 13th month, which occurs after the election of the following year's officers, will focus on advising the newly elected Special Interest Chairs from their respective regions. Each individual may only serve once in their respective chair position.
- President-Elect will be elected for a 12-month term that will begin immediately after elections at the National Conference. At the end of the 12 months, the President-Elect will transition to the position of President following the elections at the subsequent National Conference.
- President will serve a 12-month term that will begin immediately after elections at the National Conference. At the end of the 12 months, the President will have the opportunity to transition to the position of Facilitator following the elections at the subsequent National Conference.
- Facilitator will serve a 12-month term that will begin immediately after elections at the National Conference and may be a transition from the PsychSIGN Presidency or may be an appointed position by the entering PsychSIGN president.

#### **2. Local Officers**

- PsychSIGN affiliated Psychiatry Student Interest Group Leaders terms will be set in accordance with the policies and procedures of the medical

student affairs at their respective home medical institutions. PsychSIGN will have no influence over leadership positions at the local level.

### **Removal of PsychSIG affiliates**

- Any PsychSIG affiliate organization which fails to fulfill the duties of an affiliate organization or PsychSIG Leader as listed in the PsychSIGN Constitution shall be placed on probation at the discretion of the President-elect. The probation period shall last 6 months during which the PsychSIG and its leader has the opportunity to fulfill the aforementioned duties. If the PsychSIG fails to meet these by the end of the probation period, the PsychSIG will no longer be affiliated with PsychSIGN, will be removed from active chapter lists, and PsychSIG leaders will not be invited to regional leadership meetings. Following removal from the network, there will be an additional 6 month waiting period before the PsychSIG may re-apply for affiliation. Any PsychSIG may appeal their removal to the general membership, and may be reinstated with two-thirds approval of the members at the annual meeting.

### **Removal of Officers**

- Any national officer may be removed from membership by a two-thirds vote of the Board. Prior to a removal vote by the Board, the national officer in question must be notified that such a vote is pending and must be given the opportunity to speak to the Board. Any national officer may appeal his/her removal to the general membership and may be reinstated with two-thirds approval of the members at the annual meeting.
- Removal of any national officer placed on academic probation by their medical school or taking a leave of absence from medical training greater than 6 months will be at the discretion of the President and President-Elect.
- Any vacancy in an office resulting from a removal or relinquishment of a position will be filled by appointment by the PsychSIGN President pending approval at the next Board meeting.

---

## **Article VI: Elections**

### **Eligibility**

- All members of the National Board must be members of PsychSIGN and of the American Psychiatric Association. They must also be full-time students at their respective institutions in the pursuit of a MD or DO degree (with the exception of the Facilitator).
- Leadership must be able to regularly attend required meetings and fulfill the responsibilities of the position.
- If running for a Region Chair position, it must be for the region where the student's medical school resides.
- National board members may not run for the same position in consecutive years. They may however, remain on a subcommittee at their successor's discretion if a project or initiative for PsychSIGN which they began was still underway.

- The Political Advocacy Chair must have previously attended at least one AMA Medical Student Section Assembly in the past.
- A candidate can only run for the President-Elect position after already serving on the National Board for a complete term.

## **Election Process**

### **President-Elect, President**

- The President-Elect takes on the President position after serving as the President Elect for 1 year.
- The election process will be led by the outgoing president. It must be a democratic process.
- National Chair Elections will take place during the annual meeting after Region Chair Elections. Candidates should submit their names prior to the election and each candidate will have a 5-minute opportunity to address the assembled Board. The winner will be the candidate who garners two-thirds of the vote. If no candidate wins two-thirds of the vote, a run-off election will be held between the top two candidates, and the candidate who earns a simple majority of the votes in the run-off will be the winner. Members of the Board who are candidates for President or President-Elect may not vote in the President-Elect election.

### **Region Chairs**

- The application process for Region Chairs will be led by the President-Elect. If half of the National Board votes to disagree with the process, then the process can be decided on by the President.
- Applications can be submitted and displayed publicly. The opportunity to apply for the National Board must be shared clearly in the monthly membership newsletter. No distribution of campaign materials or form of mass communication (i.e. listservs) will be utilized by any candidate in efforts to campaign with the general membership. No member of PsychSIGN shall recklessly or negligently disseminate information on behalf of a candidate about another PsychSIGN member or candidate.
- Each candidate will have an equal opportunity to advocate for themselves to the voting body.
- Each medical school may cast one electoral vote. Each school decides the electoral vote by a simple majority of members at that school. The candidate with the most electoral votes wins that region.

### **Special Interest Chairs**

- Special Interest positions will be appointed by consensus of the President and President-Elect. An application process must be made available to all PsychSIGN members in a public manner.

- This process will take place after the Region Chairs election, and those who ran for Region Chair positions will have an opportunity to run for Special Interest Chair Positions.
- The positions are chosen by the outgoing president, the incoming president, and the incoming president-elect.

### **Facilitator**

- The Facilitator position will be first offered to the outgoing PsychSIGN President. If so declined, the incoming President may appoint an alternative facilitator.

### **Local Officers**

- PsychSIG Leaders will be identified in accordance with the policies and procedures of the medical student affairs at their respective home medical institutions. PsychSIGN will have no influence over leadership positions at the local level.

### **Grievances Regarding Election Procedures**

1. Grievances regarding election procedures will be addressed to the outgoing PsychSIGN President, who will allow both sides to present their concerns and will attempt to find a solution that is agreeable to both parties.
2. If the grievance cannot be resolved in the aforementioned manner, it will be resolved by the newly elected Board as follows: Both parties will be permitted five to ten minutes to present their arguments to the Board. The Board will vote on a course of action; a two-thirds majority will win. Any Board members involved in the grievance will not vote in this process.
3. If the grievance cannot be resolved by the Board as described above, it can be appealed to the APA. Decisions by the APA will negate any conflicting articles in this document. Decisions by the APA are final and cannot be further appealed.

---

## **Article VII: Amendments**

The PsychSIGN Constitution will be reviewed and approved by a two-thirds majority of the Board biennially. Amendments to this document may be submitted to the Board by any national officer or any member of PsychSIGN.
